1 2 3 4 5

Strongly
agree

1.	I think that the system is useful to attract non-musicians to play the Kulintang					
2.	I found the experience of playing the Virtual Kulintang enjoyable					
3.	I think the the system is useful to stimulate musical creativity					
4.	I would recommend this system to a non-musician friend					

Any positive or negative remarks in interacting with the system?

What would you improve on the system?
